Our bunny is ready for autumn; he put on his comfy scarf and soft hat with pompom, and is ready for a nice walk in the park. Falling leaves will be rustle underfoot, maybe it will even start raining for a while... But our bunny likes the weather like this, that's why he is called The Autumn bunny.

His height is approximately 20 cm (without ears)

Hat and scarf

Take any yarn leftovers you like.
You will need the yarn of two colors – dark and light.

Start with the scarf:

With 4 mm hook, ch 40, work two rows of sc

Hat:

Work through the back loops only

Row1: (2 sc in each sc) around – 12 sc

Row2: (sc in next sc, 2 sc in next sc) around – 18 sc

(Pick 2) Try on bunny's head, the hat should fit between his ears

(Pick 3 and 4) (Ch 5, skip next 4 sc, sc in next 4 sc), repeat from the beginning

(Pick 5) Try on bunny's head, the holes for the ears should be in place

(Pick 6) Work next row; work sc in each ch of the holes

(Pick 7) Try the hat on bunny's head

Next, work the amount of rows to gain the length you like.

Work the last row with a fluffy yarn. Make a fluffy pompom and attach it to the hat.
